# Welcome & Congratulations

My aim on your wedding day is to make it as relaxed and joyful as possible so you can spend as much time as you can celebrating with your loved ones.

I'll be your photographer, cheerleader, timekeeper and your genuine friend.

Together we will find the prettiest of light & locations and make you feel so comfortable in front of the camera (I promise!)

I can travel for weddings, Broome and "down south" being favourite haunts, recommend favourite wedding vendors, make sure we catch the golden hour and provide you photos you will treasure for your whole lives together.

I'd love to meet you and hear about your wedding plans soon

Much love Mel xx

*i promise*

## Questions & Hints

### DO YOU TRAVEL FOR WEDDINGS?

Yes of course! Anywhere within Australia. Mel has captured gorgeous weddings in Broome, down south and Victoria, Sydney and tropical north Queensland. Just ask for travel fees involved.

### CAN I HAVE MORE OR LESS HOURS? AND NO ALBUM?

Yes of course! Normally we will sit down in our little studio, have a chat and work out what you would like for your wedding day, only around half of my couples choose an album, all wedding coverage includes your edited images in high resolution on a USB with full copyright for you.

### CAN YOU MAKE ME FEEL & LOOK GOOD IN FRONT OF THE CAMERA?

Yes of course! And I mean it.. Without humble bragging, its one of my real strengths as a wedding photographer, making you feel so comfortable, relaxed & happy Then, of course, you will look fabulous.. Real love, laughter and happiness always looks beautiful.. None of our work is photoshopped, we don't do it as a studio, instead we capture the real you and all your beauty

### CAN WE HAVE TWO PHOTOGRAPHERS?

Yes of course! We have a load of super talented wedding photographers in Perth who I love working with. An additional fee applies, please contact us for more details.

### CAN WE BOTH HAVE GETTING READY PHOTOS?

You can use the hours coverage in any way you like, generally speaking we need 7-10 hours to cover bride & groom prep thru to first dance. This really depends on a heap of different factors. ceremony time, number of guests, getting ready locations, cocktail vs sit down dinner and more!

When we meet or chat we will work out how much coverage you need based on your amazing wedding plans.
